

USED OIL & FILTER RECYCLING

Are you a do-it-yourselfer? **Recycle your motor oil & filter too!**

How to use oil collection centers:

Place your motor oil in a sealable container. It is best to use a reusable motor oil drain container that you can plan to take away with you. Make sure the oil is not mixed with any other fluids. Some businesses offer a 40¢ per gallon rebate for used motor oil.

- Collection centers typically accept no more than **5 gallons** of used motor oil and **2 filters** at one time.
- One or two oil filters are usually accepted for free, though some locations charge up to \$3.
- Antifreeze fees range from \$1.50 to \$3/gallon.

Visit collection centers during business hours.

Leaving oil or any other substance after hours is illegal, punishable by imprisonment or a fine up to \$10,000.

Funded by a grant from the Department of Resources Recycling and Recovery (CalRecycle).
